

Frequently Asked Questions

WE ASKED YOU TO SUBMIT QUESTIONS TO US... HERE ARE THE RESPONSES

Questions from students	Response from PHS
When will I find out who is in my tutor group and when will I meet them?	Today – your parents/carers should have had an email to let you know who your tutor is going to be. You will get to meet your tutor group on the first day in September.
Are you always with the same 30 children in your class?	You will be with your tutor group for tutor time every day for the next 5 years! But for your subject lessons, the group you will be with can change, giving you an opportunity to meet lots more students in your year group.
