# Whistleblowing Policy - (Raising Concerns in the Public Interest)

A Confidential Reporting Policy for All Members of Staff and the General Public

## 1. Introduction

- 1.1 The School is committed to the highest standards of openness, honesty, integrity and accountability for the services it provides. However, the School recognises that there is always the risk that things can go wrong. Therefore, the School is keen to encourage those working for the School and members of the community to express their concerns when they think that there may be something seriously wrong regarding the activities of the School. This gives the School the opportunity to stop any unethical or unprofessional practices or wrongdoing within the organisation.
- 1.2 The School recognises that for individuals to come forward, they must have confidence that their concerns will be listened to and that the School will take prompt action to investigate and deal with concerns appropriately.
- 1.3 This Policy sets out how concerns about serious wrongdoing by the School can be raised and how the School will respond to these.
- 1.4 This Policy incorporates the provisions that are required from the Public Interest Disclosure Act 1998 (as amended by the Enterprise & Regulatory Reform Act 2013), which protects members of staff against detrimental treatment or dismissal for disclosing normally confidential information because they reasonably believe it is in the public interest to do so. This is known as a “qualifying disclosure”.

## 2 Benefits of this policy

2.1 This Policy aims to:

- encourage and enable you to feel confident in raising concerns and to question and act upon any concerns;
- provide avenues for you to raise concerns;
- ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied with the action taken;
- reassure members of staff that they will be protected from repercussions when raising genuine concerns;
- ensure that all those working for, or on behalf of, the School are aware that they must not treat individual(s) detrimentally because they have made a “qualifying disclosure” under the Act.

### **3 Scope**

3.1 The types of concern covered by the Policy include:

- conduct which is an offence or a breach of law
- disclosures relating to miscarriages of justice
- individual(s) covering up wrongdoing
- health and safety risks, including risks to the public as well as other employees
- damage to the environment
- the unauthorised use of School funds
- possible fraud, corruption or financial irregularity
- practice which falls below established standards or practice
- sexual or physical abuse
- other unethical conduct

3.2 This Policy and its associated procedures is not intended to replace any existing School procedures that would be more appropriate for dealing with any concern raised under this Policy:

#### Members of staff

If your concern relates to how you have been personally treated at work as an employee under your contract of employment, you should raise it under the existing Grievance Procedure. If your concern relates to bullying or harassment, the School will respond to such concerns under the Disciplinary Procedure.

#### Members of the Public

If you have a concern or complaint about services provided to your family by the School, you should raise this using the Complaints Procedure.

### **4 Who can raise a concern under this Policy**

4.1 This Policy applies to all:

- employees
- casual, agency workers and apprentices working for the School
- contractors and employees of contractors working for the School
- self-employed consultants working for the School
- members of the public

## **5 Supporting you to raise a concern**

### **5.1 Confidentiality:**

We hope that you will feel able to voice whistleblowing concerns openly under this Policy. However, if you want to raise your concerns confidentially, we will make every effort to keep your identity secret. If the situation arises where we are not able to resolve the concern without revealing your identity (for instance because your evidence is needed in court), we will discuss with you whether and how we can proceed.

### **5.2 Staff Raising Genuine Concerns:**

The School aims to encourage openness and will support staff who raise genuine concerns under this Policy, even if they turn out to be mistaken.

Staff who raise genuine concerns under this Policy with a reasonable belief that it is true must not suffer any detrimental treatment as a result of raising the concern. Detrimental treatment includes dismissal, disciplinary action, threats or other unfavourable treatment connected with raising a concern.

Staff and those working for the School must not threaten or retaliate against a person who raises a concern under this policy. If you believe that you have suffered any such treatment, you should inform the Head Teacher immediately. If the matter is not remedied, you should raise it formally using the Grievance Procedure.

### **5.3 Staff Raising Malicious Allegations:**

However, the School cannot give such assurances and you may be subject to disciplinary action if you raise a concern maliciously or the information you have used to trigger a concern has been obtained unlawfully, for example:

- legal requirements have not been followed, e.g. the Data Protection Act has been breached or
- through unauthorised access to records, e.g. computer hacking.

## **6 How to raise a concern**

### **Points of contact**

6.1 As soon as you become reasonably concerned, we hope you will feel able to raise it. The earlier you raise your concern, the easier it is to take action.

### **6.2 Members of Staff**

If you are an employee you should normally raise concerns with your line manager. Similarly, non-employees (e.g. agency workers, contractors, consultants) should raise a concern in the first instance with their contact within the School, usually the person to whom they directly report.

If you are a member of staff and you want to raise the matter with someone other than your immediate manager, for whatever reason, please raise the matter with:

Headteacher – John McKee: [head@patchamhigh.org.uk](mailto:head@patchamhigh.org.uk) 01273 503908

Chair of Governors – Andrew Saunders: [ASaunders@patchmhigh.org.uk](mailto:ASaunders@patchmhigh.org.uk)

These people will also be able to advise on confidentiality and further action required.

### 6.3 Members of the Public

If you are a member of the public you can raise concerns with:

Headteacher – John McKee: [head@patchamhigh.org.uk](mailto:head@patchamhigh.org.uk) 01273 503908

Chair of Governors – Andrew Saunders: [ASaunders@patchmhigh.org.uk](mailto:ASaunders@patchmhigh.org.uk)

### **The Procedure**

- 6.4 You may raise your concern orally or in writing. We advise that you make it clear that you are raising your concerns under the School's whistleblowing arrangements.
- 6.5 You are also encouraged to put your name to any concern you raise as this will make it easier for the School to investigate the issue. Please also say if you want to raise the matter in confidence so that the person you contact can make appropriate arrangements.
- 6.6 To enable your concern to be dealt with properly and effectively you will need to provide the following information and to be as clear as possible about:
  - what the concern is and to whom it relates
  - the background and history of the concern (giving relevant dates)
  - the reason why you are particularly concerned about the situation and why you believe it to be true.
- 6.7 When raising a concern you are not expected to prove the truth of an allegation, however, you will need to demonstrate to the person you contact that there are sufficient grounds for the concern.
- 6.8 If you are a member of staff you may invite your trade union representative or a colleague who works for the School to assist or accompany you. Similarly, if you are a member of the public you may be supported by a colleague or friend. Your companion must respect the confidentiality of your disclosure and any subsequent investigation.

## **7 How the School will respond**

- 7.1 Once a concern is raised, the School will respond to your concern as quickly as possible. The appropriate person will make initial enquiries, taking advice from Human Resources if necessary, to help decide if an investigation is appropriate and if so, what form it should take.
- 7.2 The person receiving the concern will ensure the Head Teacher is provided with sufficient details to be aware of the concern raised.
- 7.3 Where appropriate, the matters raised may:
- be investigated by management, internal audit or through the disciplinary process;
  - be referred to the Police;
  - be referred to the external auditor or
  - form the subject of an independent inquiry

Within 10 working days of a concern being raised, the person handling the matter will write to you acknowledging that the concern has been received, indicating how, as far as possible, it will be dealt with and, if you are a member of staff, the support mechanisms available to you. You will be kept informed of progress and will receive a full and final response, subject to any legal constraints.

- 7.4 When you raise the concern(s) you may be asked how you think the matter might best be resolved. If you have any personal interest in the matter, we ask that you tell us this at the outset. If your concerns would be more appropriately dealt with under another School policy (for example, the Complaints Procedure or Grievance Procedure) we will tell you.
- 7.5 While the purpose of this policy is to enable us to investigate possible malpractice and take appropriate steps to deal with it, we will give you as much feedback as we properly can.
- 7.6 Concerns or allegations that fall within the scope of specific procedures (for example child protection) will normally be referred for consideration under the relevant procedure. Some concerns may be resolved by agreeing action with you without the need for investigation. If urgent action is required, this will be taken before any investigation is conducted.
- 7.7 The School will take all reasonable steps to minimise any difficulties that you may experience as a result of raising a concern. For instance, if you are asked to give evidence in criminal or disciplinary proceedings, the School will arrange for you to receive appropriate advice and support.

## **8 How your concern can be taken further**

- 8.1 This Policy is intended to provide you with an avenue to raise concerns with the School. The School hopes that you will be satisfied with the way your concerns are treated and any investigations that may be carried out.

However, if you are not, and feel it is right to take the matter outside the School, please find below a list of possible contact points. If you are a member of staff, Human Resources can provide advice as to the other options.

The following are examples of some of the possible contact points:

- Head of Internal Audit (Graham Liddell tel. 01273 291323) or Head of Legal & Democratic Services (Abraham Ghebre-Ghiorghis tel. 01273 291500) at Brighton & Hove City Council
  - your trade union (if you are a member of staff)
  - relevant professional bodies or regulatory organisations. A list of regulatory bodies can be found in Appendix 1
  - a solicitor
  - the Police
- 8.2 If you are a member of staff, the law recognises that in some circumstances it may be appropriate for you to report your concerns to an external body. It will very rarely if ever be appropriate to alert the media. We strongly encourage you to seek advice before reporting a concern to anyone external. If you would like independent advice at any stage, you can contact the independent charity Public Concern at Work [www.whistleblowing.org.uk](http://www.whistleblowing.org.uk) on 020 7404 6609. They should be able to give you free and confidential advice about how to raise a concern about serious malpractice at work.

## **9 Recording, monitoring and reviewing**

- 9.1 The Headteacher has overall responsibility for the maintenance and operation of this policy and for ensuring it is reviewed regularly.
- 9.2 A register of all concerns and the outcomes that are brought to the attention of the Headteacher (in a form which respects your confidentiality) will be maintained by the school. All officers designated to look into a concern must ensure that the Headteacher is provided with sufficient details for the register.
- 9.3 The Headteacher will review the register and will report to the Governing Body on the use of the policy and concerns raised during the period covered by the report. The report will not identify any person raising concerns under this Policy.

## **10 If you are dissatisfied**

- 10.1 If you are unhappy with our response, remember you can go to the other levels and bodies detailed in this policy.
- 10.2 While we cannot guarantee that we will respond to all matters in the way that you might wish, we will try to handle the matter fairly and properly.
