Messages from the PE Dept

Miss Bata is Leaving!

It is with regret that we announce that the wonderful Miss Bata and integral member of Team PE is leaving us. Miss Bata has been a brilliant swimming teacher, lifeguard and technician for nearly 4 years at PHS. In that time, she has taught our students and those at some of our feeder schools to improve their swimming ability, confidence and in some cases taught young people to swim from scratch... a life changing skill. In addition to this she has kept the department in order, supported us in lessons, improved our own subject knowledge and led extra-curricular clubs and lessons. I know many of our students have built positive relationships with her and have benefitted from her swimming and athletics expertise. She is moving onto pastures new in Loughborough and we will miss her lots!

Sport England Research

As a school we are part of Sport England project to evaluate the effectiveness of a new initiative to improve students experience of PE and physical activity. The research project requires students to complete a short **on-line survey** that asks their opinion of the Physical education, physical activity and sport opportunities available to them at school. **Please let us know if you don't wish your child to take part in the research (tbrookes@patchamhigh.org.uk)**

Thank you

As we approach the half-term holiday, we wanted to say thank you to all the students, parents, carers and staff who have participated and supported PE and Sport at PHS since September. This is just the beginning!
