It is our intention to ensure that all students are supported to be proud of themselves, respect each other and ultimately succeed as young adults. We are particularly conscious of the need to ensure the identities of those from minority groups are acknowledged and celebrated in every field, at all times, every day whether students of colour or LGBTQ+ we have an overall aim of providing equal opportunities for all by having One Team and One Dream.

Patcham High School

Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. Information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school' encompasses its aims and objectives in the following statements which outline our vision and values:

Aspiration statement

Patcham High School is our school and we are proud of it. Our aspiration is to:

- Provide opportunities for all of us to achieve our full potential in a safe, caring and enjoyable learning environment
- Maintain an environment where we all feel welcomed, supported, included, valued, challenged, respected and celebrated

- Inspire and encourage us all to have the highest expectations for our own success
- Make our school a place where we all take responsibility for the success and well-being of our community, both within and beyond school
- Develop us all as life-long learners, who can confidently and responsibly contribute to the wider community

All our policies are based on these aims.

3. Categories of information published
